SQUAD TAKE SECOND

The Junior squad did the Club proud on Saturday with some brilliant performances and all-round team score that put us into second spot behind Ipswich. Some of the squad may have thought why have I come a long way for a handful of points in cold weather but when they see the scoreboard they will realize how important those few points were!! Star of the show was Phil Adams who sped to four wins and 16 points for the team then flew past Dan Chambers on the last corner to win the A Final. Unlucky Dan, who was very impressive, clipped the kerb and came down letting Ben Collins, who also was in good form, through to second place. Harley Hamill also looked good in his first U16 round but unlucky gate exclusion reduced his scoring. Others to impress were Shane Miller, whose effortless style got him 14 points and third in the A Final and Jazz Abbott who was runner-up in his A Final. Two riders made their debuts – Norton Hamill in the U8s, who had a heavy fall, and Ryan Cubitt in the U12s, who won a race. The next round is at Eaton Park on April 26th.

BLANKET CAUSES BLANK

It was snowing here on Sunday as we prepared for the trip to East London but then the call came through that there was a blanket of four inches on the Canning Town circuit so for the third week running the League season failed to start. The League has given us 14 days to sort dates out for re-arrangements before they come up with their own dates so we will be busy over next few days. This Saturday we will try again with Ipswich visiting the Memorial Field – U16s at 15.30 and the 1st team at 17.00 in the Norfolk & Suffolk League..

KESGRAVE OUT OF U16s

News through this week confirmed that Kesgrave have pulled out of the SE Youth League as they have insufficient riders in that age group. This follows a wholesale falling out of parents and officials in Suffolk that has seen lots of riders move clubs.

DAN PIPS DAD

The first Club Night was well attended, as members were keen to try out the new track surface that stood up well except for a groove on the first corner. Some excellent racing with Ryan Cubitt showing up with his new bike and looking good. Seventeen riders took part with a debut from Dave Chambers and a return from Jamie Miller. Dave looked to be doing well in Rider of the

Night but he was pipped by son Dan by
one point.
